ABOUT VANTAGE CRICKET

Vantage Cricket is a traditional company dedicated to the construction of quality handmade cricket bats.

Our staff are highly-skilled and carry a wealth of experience in both bat construction and business. We are committed to making our bats from superior materials and providing a professional, efficient service from when you place your order to that first shot on the village green.

Even with all the care, attention and pride poured into creating our bats, we take satisfaction in making the purchase of your perfect bat as easy and affordable as possible.

SYNTH

The Synth has large edges for enhanced profile, perfectly placed middle which gives a excellent pick-up and an incurved rear profile allowing for greater feel while keeping size to the bat.

The Synth has a flat faced blade with a gentle bow to allow maximum performance.

LITHIUM

The Lithium is a beautifully designed, professionally shaped bat with a massive sweet spot.

It has a flat face with huge edges and the weight positioned in the middle of the bat for all-round performance, including a very light pick-up.

The Lithium has a gently bowed blade to improve the feel and performance of the bat.

PLAYERS PADS

Professional test match protection level, with meriskin premium PU facing and plastazote internal protection.

The pads are a traditional light weight design with rear soft foam bolsters with synthetic mesh.

PLAYERS GLOVES

Professional test match protection level with 4 section plastazote finger protection and soft fill upper filling.

The gloves have a side mesh vent with 1st grade indian pittard leather palm, and an elasticated towel wristband with velcro fastening.

BAT COVER

Full length padded bat cover with carry strap and Vantage branding.

PLAYERS HOLDALL

The holdall has an extendable carry handle for user convenience as well as a full length padded external bat compartment.

There is an undercarriage reinforced skid plate with wheels, breathable helmet compartment, Multiple internal and external personal compartments.
